Call for Papers

The *University of Khartoum Engineering Journal (uofkej)* invites researchers, academics, and professionals to submit original research papers for publication. The journal is dedicated to advancing knowledge in all fields of engineering and aims to provide a platform for high-quality scholarly contributions.

Focus Areas

We welcome submissions in, but not limited to, the following fields:

- Agricultural and Biological Engineering
- Chemical Engineering
- Civil Engineering
- Electrical and Electronics Engineering
- Mechanical Engineering
- Surveying Engineering
- Mining Engineering
- Petroleum and Gas Engineering
- Computer Engineering and Information Technology
- Environmental Engineering
- Renewable Energy and Sustainable Development

Submission Guidelines

- All manuscripts must be original and adhere to the journal's submission guidelines.
- Submissions must be made through the Open Journal Systems (OJS) platform.
- Manuscripts should follow the IEEE citation style.
- Each paper will undergo a peer-review process by **three independent reviewers**.

Publication Dates

UofKej follows a rolling submission system, where articles are accepted and published continuously without a fixed deadline. Submissions are accepted year-round, and accepted articles are published within three months of final acceptance under a rolling publication system.

Benefits of Publishing with uofkej

- Open-access publication
- Rigorous peer-review process
- Indexed in recognized engineering databases
- Opportunity for global research dissemination
